

Product specification

Name : ONN-LED Warning light

Model No. : ONN-M4T

Version : A0

Date : 2015-05-06

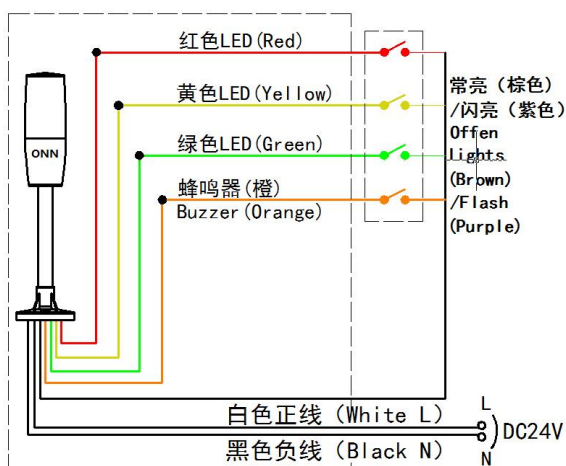

Products introduce:

1. Elegant structure, simple and beautiful, super high price performance;
2. With excellent heat dissipation, make sure the product lifetime;
3. Used domestic famous power supply, make sure the lifespan up to 3 years.

Wiring method:

DC24V触点式 (Contact Type)

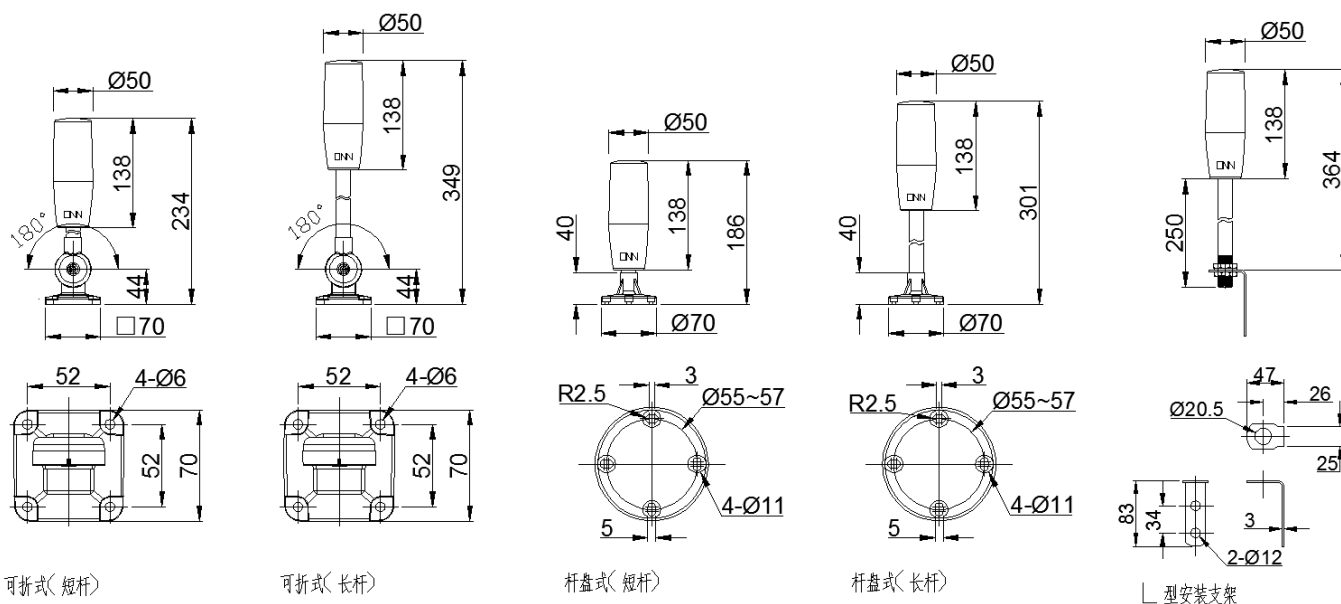

AC220V触点式 (Contact Type)

DC24V (Common)

Installation:

Product coding principles:

ONNM4T- 3 A A B C - RYG - 50							
①	②	③	④	⑤	⑥	⑦	⑧
① Brand Type	ONNM4T						
② Layer	1、Single color 2、Two-color 3、Three-color						
③ Installation	A、Foldable B、 Pole plate						
④ Input voltage	B、 DC24 C、 AC220V						
⑤ Functions	B、 Continuous light F、 Continuous light with buzzer S、 Red flash C、 Red flash with buzzer

	D、 All colors flash E、 All colors flash with buzzer
⑥Wiring	C、 Contact type Z、 Power direct input type (Common+/-)
⑦Lamp color order	R:Red Y:Yellow G:Green
⑧Lampshade diameter	50、 Diameter Φ50mm

Technical parameter:

Model No.		ONN - M4T lathe warning light			
Voltage	DC24V	current	20mA	Power	0.48W
	AC220V		5.5mA		
IP rating	IP50	Length of cable	45mm 65mm _____	Color of body	white gray
Light	Chip 3528 LED 0.06W/pcs		Life of whole light	50 000 hrs	
Beam angle	360°	color	Red、 yellow、 green	Original place	Shenzhen China

Environmental Requirements:

Working temperature:	-20~45℃
Save temperature:	-40~70℃
Working humidity:	10~90%
Save humidity:	10~90%
